ABOUT

Hi. We're Ruth and Dave. We have two young children and live in the North East of England. We love the outdoors.

On our walks, we always tell our children magical stories about fairies and dragons that live in the woods and making up challenges for them to complete or creating a scavenger hunt. They are always so excited to go on walks because of this! This is where the idea of Little Wood Walkers came from.

"Hi, I'm Tailsy"
